Members will be disqualified if their animal does not have a matching tattoo or brand, or if the tattoo or brand is illegible. In the event of disqualification, the next placing animal with matching identification will advance. Calves that show on the side of the cow must have a permanent identification number.
5. All cattle must have been owned by the entrant a minimum of 60 days prior to the show. Evidence of ownership is indicated by the date of sale on the registration certificate. Hair trimming is permissible and must be done in those few areas such as the neck and portions of the top line of the animal which may not lay flat against the body. Hair may not be trained upwards or forwards and/or pulled upwards or forwards on any part of the animal's body. No animals may have any foreign object(s) attached to it in any manner or have its natural color altered in a manner so as to change

Joint ownership of the dam is permitted; however, for offspring to qualify as a JBBA Bred & Owned animal, all owners of the dam must be JBBA members, except in the case of siblings where one sibling has become too old for JBBA membership, joint ownership is acceptable as long as the older sibling was a JBBA member and has maintained continuous uninterrupted membership in the BBU since expiration of their JBBA membership, as determined by the BBU Office.

14. Each Beefmaster bull eighteen months of age or older must have passed a fertility examination given by a licensed veterinarian and the results of the examination must be presented at check-in.
15. All bulls exhibited must have a nose ring (temporary or permanent) with a lead strap attached to it.
